Philip Mamalakis teaches pastoral care and is Director of the Field Education program. His professional interests are in Orthodox pastoral theology and marriage, family, and parenting. His interests also include the interface of contemporary mental health theory, research and practice, and Orthodox theology. He has published articles on therapists in congregations, working with couples recovering from infidelity, and Orthodox marital counseling. His research is in the areas of Orthodox pastoral theology, Orthodox parenting, and marriage and family life. He has presented numerous talks, seminars, and retreats on marriage, family life, parenting, and Orthodox perspectives on mental health.
