

Fulfilling Our Vision

Our Past

In May, 1998 the Parishioners of St. Paul's affirmed the above master plan.

Beginning with a small church, which is now our current community center and administration building, we opened our existing Sanctuary in 1992 and in 2007 we opened the doors to our Education Center and Library.

Shaping the Future for St. Paul's

Today, we are launching the final phase of our overall development plan. Construction will cost approximately \$5 million. With God's help and the willingness of our parishioners to embrace the biblical teaching of generous and sacrificial giving, our goal will be achieved.

Building New Memories

Parish Event Center, Plaza & Gymnasium Building Program
